Defendants

**\*E-FILED 08-17-2010\***

Case No. 5:10-cv-02994-HRL

**Stipulation to Stay Case With Respect to  
Sterling International Inc. and ~~Proposed~~ Order**

**[Re: Docket No. 104]**

1 Plaintiff San Francisco Technology Inc. ("SF Tech") and defendant Sterling International Inc.  
2 ("Defendant") enter into this stipulation and seek the relief set forth below.

3 1. SF Tech filed its Complaint on July 8, 2010, alleging that Defendant has falsely  
4 marked articles in violation of 35 U.S.C. § 292. SF Tech asserts that it is a *qui tam* relator in this  
5 case.

6 2. SF Tech had earlier filed similar Complaints in this court, asserting similar false  
7 marking claims against other defendants, also asserting that it is a *qui tam* relator. Those cases are  
8 styled:

9 a. *San Francisco Technology Inc. v. Adobe Systems Incorporated, et al.*, Case  
10 No. 5:09-cv-06083-RS ("Adobe"), filed on December 30, 2009.

11 b. *San Francisco Technology Inc. v. The Glad Products Company, et al.*, Case  
12 No. 5:10-cv-00966-JF ("Glad"), filed on March 5, 2010.

13 3. Defendant anticipates that it will challenge SF Tech's standing in this case. Defendant  
14 also anticipates that it might raise challenges to personal jurisdiction and/or venue in this case.

15 4. In similar cases involving *qui tam* relators under 35 U.S.C. § 292, District Courts have  
16 split on the question of whether a *qui tam* relator has standing in such cases. *See e.g., Juniper*  
17 *Networks v. Shipley*, 2010 U.S. Dist. Lexis 24889, 16–17 (N.D. Cal. 2010) ("*Juniper Networks 2*")  
18 (finding standing); *Pequignot v. Solo Cup Co.*, 640 F. Supp. 2d 714 (E.D. Va. 2009) ("*Pequignot 2*")  
19 (finding standing); *Stauffer v. Brooks Brothers Inc.*, 615 F. Supp. 2d 248 (S.D.N.Y. 2009)  
20 ("*Stauffer*") (finding a lack of standing).

21 5. The District Court's decision in *Stauffer* (finding a lack of standing) is currently on  
22 appeal in the Federal Circuit (Case No. 2009-1428). That appeal has been fully briefed, and the  
23 Federal Circuit panel heard oral arguments on August 3, 2010.

24 6. It is widely expected that the Federal Circuit will issue a ruling in *Stauffer* concerning  
25 the standing of *qui tam* relators under 35 U.S.C. § 292. The parties to this stipulation anticipate that  
26 the Federal Circuit's ruling will have a significant effect on the standing question in this case.

27 7. In light of the pending appeal in *Stauffer*, and in order to streamline the issues in  
28 *Adobe* and *Glad*, Judge Seeborg of this court entered an order staying *Adobe* on April 13, 2010, and

1 Judge Fogel of this court entered an order staying *Glad* on July 19, 2010. Those cases have been  
 2 stayed until the Federal Circuit issues a decision in *Stauffer*.

3 8. In order to streamline this case and to narrow the issues that this court will be required  
 4 to decide, the parties to this stipulation have reached an agreement. They hereby stipulate to stay this  
 5 case until the Federal Circuit issues a decision in *Stauffer*. In exchange, Defendant agrees that it will  
 6 not challenge personal jurisdiction or venue in this court. This stipulation is not intended to affect  
 7 any other rights, claims, defenses, or arguments of any party. Accordingly, after the stay is lifted, this  
 8 case will be litigated in this court, and Defendant may raise any defenses to SF Tech's claim other  
 9 than venue or personal jurisdiction.

10 9. SF Tech previously entered into a stipulation with another defendant similar to this  
 11 one, and the court granted the relief sought. *See* Docket No. 77.

12 10. The parties seek the following relief:

13 a. All proceedings in this case will be stayed with respect to Defendant until the  
 14 Federal Circuit issues a decision in *Stauffer*.

15 b. SF Tech will notify this court when the Federal Circuit issues a decision in  
 16 *Stauffer*. Defendant's deadline to file a response to the Complaint will be 30 days from the  
 17 filing of this notice.

18 c. The stipulating parties have agreed that personal jurisdiction and venue are  
 19 appropriate in the Northern District of California in this case. However, no other rights,  
 20 claims, defenses, or arguments of any party are affected by this stipulation.

21  
 22 In accordance with General Order No. 45.X.B., Dan Fingerman, counsel for SF Tech, attests  
 23 that each other signatory listed below has concurred in the filing of this document.
